Use extensions to personalize Google Chrome with extra features and functionality. Check out extensions that are available in by clicking on this link to the [Chrome Web Store](#). View my favorite extensions in this months newsletter.

SOLUTIONS TO COMMON PROBLEMS

Extension can clutter and possible slow down your internet browsing experience. To modify your icons, right click on the icon and select Remove from Chrome or click on Options to change the extensions features.

WEBSITE OF THE MONTH

I would like to feature my website www.techieeleni.com this month. It contains all my previous newsletter, lesson plans, tutorials and workshop resources. Links to my social media sites are listed as well. Enjoy!

TECH TIP OF THE MONTH

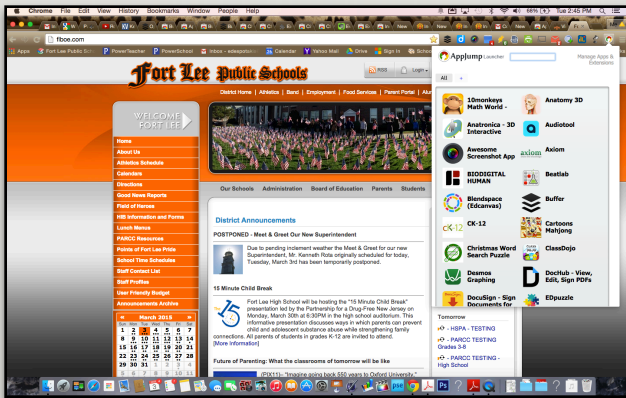

Need to delete an extension? Here are the steps to delete it from Chrome. Go to the three little lines at the upper right of your browser and select Settings. Click on Extensions on the Side Bar, then click on the trash can.
