## School Highlights Reported by the District

- Technology drives all of our instruction with a 1:1 Google Chromebook initiative. All 7th and 8th grade students are issued a Chromebook in order to support their studies and academic growth.
- We are in the process of preparing for the opening of our Grades 5 and 6 addition in September 2019.
- Our Student Ambassador program promotes kindness and acts as peer support to help prevent bullying. This program selects student leaders to promote anti-bullying throughout our student body.

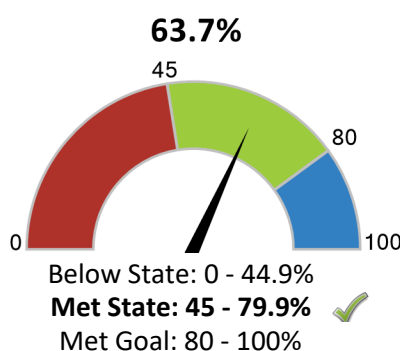

## How did students perform on assessments?

Students that met or exceeded expectations on statewide assessments

### English Language Arts

### Math

## Are students at risk?

Students that were absent for 10% or more of days enrolled

### Chronic Absenteeism

## How does student growth compare to other students?

### Median Student Growth Percentile

Each student gets a **student growth percentile** from 1 to 99 for English (4th to 8th grade) and Math (4th to 7th grade) that explains their progress compared to students who had similar test scores in the past. If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile** is the percentile in the middle of that list.
