The Appeal Process

Students who do not meet the three required criteria for Advanced Placement, Honors and International Baccalaureate courses may choose to go through the Appeal Process. Please contact your school counselor for an Appeal Form.

Timeline & Process

In December teachers input course recommendations for all students for the following school year. At this time, they recommend honors, AP and IB courses. Beginning in January, all students will meet with their school counselor to determine course selection for the following school year. At this time, students may request to take honors, AP or IB courses for the following school year. Students and teachers may suggest entering G & T courses at any point in the school year and placement is dependent on seats available.
