1620 ADMINISTRATIVE EMPLOYMENT CONTRACTS

The Executive County Superintendent shall review and approve for all Superintendents of Schools, Superintendents of Schools reappointed pursuant to N.J.S.A. 18A:17-20.1, Deputy Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators, including any interim, acting, or person otherwise serving in these positions, in school districts, county vocational school districts, county special services school districts and other districts, except charters, within the County under the supervision of the Executive County Superintendent:

1. New employment contracts, including contracts that replace expired contracts for existing tenured and non-tenured employees;
2. Renegotiations, extensions, amendments, or other alterations of the terms of existing employment contracts that have been previously approved by the Executive County Superintendent; and
3. Provisions for contract extensions where such terms were not included in the original employment contract or are different from the provisions contained in the original approved employment contract.

In counties where there is no Executive County Superintendent, an Executive County Superintendent from another county shall be designated by the Commissioner to review and approve all contracts listed above.

The contract review and approval shall take place prior to any required public notice and hearing pursuant to N.J.S.A. 18A:11-11 and prior to the Board of Education approval and execution of the contract to ensure compliance with all applicable laws, including but not limited to N.J.S.A. 18A:30-3.5, 18A:30-9, 18A:17-15.1 and 18A:11-12.

In accordance with the provisions of N.J.S.A. 18A:11-11 and N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required shall be applicable to a Board of Education that renegotiates, extends, amends, or otherwise alters the terms of an existing contract with a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator. In accordance with N.J.S.A. 18A:11-11, notice must be provided to the public at least thirty days prior to the scheduled action by the

Board. The Board shall also hold a public hearing and shall not take any action on the matter until the hearing has been held. The Board shall provide the public with at least ten days' notice of the public hearing.

In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.

The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits, and all other emoluments.

The review and approval of the employment contracts of Superintendents of Schools, Deputy Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent shall be consistent with the following additional standards outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1:

1. Contracts for each class of administrative position shall be comparable with the salary, benefits and other emoluments contained in the contracts of similarly credentialed and experienced administrators in other school districts in the region with similar enrollment, academic achievement levels and challenges, and grade span.
2. No contract shall include provisions that are inconsistent with the travel requirements pursuant to N.J.S.A. 18A:11-12 and N.J.A.C. 6A:23A-7 including, but not limited to, the provisions for mileage reimbursement and reimbursement for meals and lodging in New

Jersey. Any contractual provision that is inconsistent with law is superseded by the law.

3. No contract shall include provisions for the reimbursement or payment of employee contributions that are either required by law or by a contract in effect in the school district with other teaching staff members, such as payment of the employee's State or Federal taxes, or of the employee's contributions to FICA, Medicare, State pensions and annuities (TPAF), life insurance, disability insurance (if offered), and health benefit costs.
4. No contract shall contain a payment as a condition of separation from service that is deemed by the Executive County Superintendent to be prohibited or excessive in nature. The payment cannot exceed the lesser of the calculation of three months pay for every year remaining on the contract with proration for partial years, not to exceed twelve months, or the remaining salary amount due under the contract.
5. No contract shall include benefits that supplement or duplicate benefits that are otherwise available to the employee by operation of law, an existing group plan, or other means; e.g., an annuity or life insurance plan that supplements or duplicates a plan already made available to the employee. Notwithstanding the provisions of this section, a contract may contain an annuity where those benefits are already contained in the existing contract between the employee and the district.
6. Contractual provisions regarding accumulation of sick leave and supplemental compensation for accumulated sick leave shall be consistent with N.J.S.A. 18A:30-3.5. Supplemental payment for accumulated sick leave shall be payable only at the time of retirement and shall not be paid to the individual's estate or beneficiaries in the event of the individual's death prior to retirement. Pursuant to N.J.S.A. 18A:30-3.2, a new Board of Education contract may include credit of unused sick leave in accordance with the new Board of Education's policy on sick leave credit for all employees.
7. Contractual provisions regarding accumulation of unused vacation leave and supplemental compensation for accumulated unused

vacation leave shall be consistent with N.J.S.A. 18A:30-9. Contractual provisions for payments of accumulated vacation leave prior to separation can be included but only for leave accumulated prior to June 8, 2007 and remaining unused at the time of payment. Supplemental payments for unused vacation leave accrued consistent with the provisions of N.J.S.A. 18A:30-9 after June 8, 2007 as well as unused vacation leave accumulated prior to June 8, 2007 that has not been paid, shall be payable at the time of separation and may be paid to the individual's estate or beneficiaries in the event of the individual's death prior to separation.

8. Contractual provisions that include a calculation of per diem for twelve month employees shall be based on a two hundred sixty day work year.
9. No provision for a merit bonus shall be made except where payment is contingent upon achievement of quantitative merit criterion and/or qualitative merit criterion:
 - a. A contract may include no more than three quantitative merit criteria and two qualitative merit criteria per contract year.
 - b. The Executive County Superintendent shall approve or disapprove the selection of quantitative merit and qualitative merit criteria and the data that forms the basis of measuring the achievement of quantitative merit and qualitative merit criteria.
 - c. A contract may provide for merit bonuses in an amount not exceeding 3.33 percent of annual salary for each quantitative merit criterion achieved and 2.5 percent of annual salary for each qualitative merit criterion achieved. Any such merit bonus shall be considered "extra compensation" for purpose of N.J.A.C. 17:3-4.1 and shall not be cumulative.
 - d. The Board of Education shall submit to the Executive County Superintendent a resolution certifying that a quantitative merit criterion or a qualitative merit criterion

has been satisfied and shall await confirmation of the satisfaction of that criterion from the Executive County Superintendent prior to payment of any merit bonus.

10. No provision for a bonus shall be made except where payment is contingent upon achievement of measurable specific performance objectives expressly contained in a contract approved pursuant to N.J.A.C. 6A:23A-3.1, where compensation is deemed reasonable relative to the established performance objectives and achievement of the performance objectives has been documented to the satisfaction of the Board of Education.
11. No provision for payment at the time of separation or retirement shall be made for work not performed except as otherwise authorized in N.J.A.C. 6A:23A-3.1 and N.J.S.A. 18A:7-8.1.
12. No contract shall include a provision for a monthly allowance except for a reasonable car allowance. A reasonable car allowance shall not exceed the monthly cost of the average monthly miles traveled for business purposes multiplied by the allowable mileage reimbursement pursuant to applicable law and regulation and New Jersey Office of Management and Budget (NJOMB) circulars. If such allowance is included, the employee shall not be reimbursed for business travel mileage nor assigned permanently a car for official district business. Any provision of a car for official district business must conform with N.J.A.C. 6A:23A-6.12 and be supported by detailed justification. No contract shall include a provision of a dedicated driver or chauffeur.
13. All Superintendent contracts shall include the required provision pursuant to N.J.S.A. 18A:17-15.1 which states that in the event the Superintendent's certificate is revoked, the contract is null and void.
14. No contract shall include a provision for additional compensation upon the acquisition of a graduate degree unless the graduate degree is conferred by a regionally accredited college or university as defined in applicable regulations. No contract shall include a provision for assistance, tuition reimbursement, or additional compensation for graduate school coursework, unless the coursework culminates in the acquisition of a graduate degree

conferred by a regionally accredited college or university as defined in applicable regulations.

The review and approval of an employment contract for the Superintendent of Schools shall not include maximum salary amounts pursuant to N.J.S.A. 18A:7-8.j.

Any actions by the Executive County Superintendent undertaken pursuant to N.J.S.A. 18A:7-8.1, N.J.A.C. 6A:23A-3.1, and this Policy may be appealed to the Commissioner of Education pursuant to the procedures set forth at N.J.A.C. 6A:3, Controversies and Disputes.

2431 ATHLETIC COMPETITION

The Board of Education recognizes the value of athletic competition as an integral part of the school experience. Sports and other athletic activities provide opportunities to learn the values of competition and good sportsmanship.

For the purpose of this Policy, programs of athletic competition include all activities relating to competitive sports contests, games, events, or sports exhibitions involving individual students or teams of students when such events occur within or between schools within this district or with any schools outside this district. The programs of athletic competition shall include, but are not limited to, high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district, and any cheerleading program or activity in the school district.

Eligibility Standards

A student who wishes to participate in a program of athletic competition must submit, on a form provided by the district, the signed consent of his/her parent. The consent of the parent of a student who wishes to participate in a program of athletic competition will include an acknowledgment of the physical hazards that may be encountered in the activity in accordance with N.J.A.C. 6A:32-9.1(d) and (e).

Student participation in a program of athletic competition shall be governed by the following eligibility standards:

1. To be eligible for participation in the interscholastic athletic program of a New Jersey State Interscholastic Athletic Association (NJSIAA) member school, all high school students must meet, at a minimum, all the eligibility requirements of the Constitution, Bylaws, and Rules and Regulations of the NJSIAA.

Home schooled children are eligible to participate in the high school interscholastic athletic program of this district only if the school district, the parent, and the home schooled child comply with the Guidelines, Constitution, Bylaws, Rules and Regulations

of NJSIAA, and the policies and regulations of the Board of Education.

2. Home schooled children in grades 9 through 12 are eligible to participate in school district sponsored programs of athletic competition of this district.
3. A student who is absent with an unexcused absence for a school day may not participate in school district sponsored programs of athletic competition the afternoon or evening of that school day.

A student who is serving an in-school or out-of-school suspension may not participate in school district sponsored programs of athletic competition while serving the suspension.

4. A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.

Notice of the school district's eligibility requirements shall be available to students.

Required Examinations – Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination, in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program or activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the medical home of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care pursuant to N.J.A.C. 6A:16-1.3. If a student does not have a medical home, the school district shall provide the examination at the school physician's office or other comparably equipped facility. The parent may choose either the school physician or their own private physician to provide this medical examination. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.A.C. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the

Preparticipation Physical Evaluation form required by the Department of Education.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e., and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

The school district shall annually distribute the Commissioner of Education developed educational fact sheet relative to use and misuse of opioid drugs for sports related injuries to parents of students who participate in athletic activities and comply with the requirements of N.J.S.A. 18A:40-41.10.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A. 26:5C-1 et seq. The health findings of this medical examination shall be maintained as part of the student's health record.

Emergency Procedures

Athletic coaches shall be trained in first aid to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student-athletes who are injured or disabled in the course of any athletic program or activity, and any other first aid procedures or other health related trainings required by law or the Superintendent.

Required for School Districts with any of the Grades Six through Twelve

The Superintendent or designee shall establish and implement an emergency action plan for responding to a serious or potentially life-threatening sports-related injury in accordance with N.J.S.A. 18A:40-41.11. The plan shall document the proper procedures to be followed when a student sustains a serious injury while participating in sports or other athletic activity in accordance with N.J.S.A. 18A:40-41.11.

The emergency action plan shall be reviewed annually and updated as necessary. The plan shall be rehearsed annually in each school by the individuals who will be responsible for executing the plan in an emergency pursuant to N.J.S.A. 18A:40-41.11.

The Superintendent or designee shall prepare procedures for responding to a non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity. These procedures shall be reviewed annually, updated as necessary, and disseminated to appropriate staff members.

Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.

The Superintendent shall annually prepare, approve, and present to the Board for its consideration a program of interscholastic athletics that includes a complete schedule of athletic events and may inform the Board of changes in that schedule.

R 2431.1 EMERGENCY PROCEDURES FOR SPORTS AND
OTHER ATHLETIC ACTIVITY

A. Definitions

1. "Athletic Activity" means interscholastic athletics; an athletic contest or competition, other than interscholastic athletics, that is sponsored by or associated with a school district or nonpublic school, including cheerleading and club-sponsored sports activities; and any practice or interschool practice or scrimmage for those activities.
2. "Health personnel" means the school nurse, the school medical inspector, the designated team doctor, a licensed physician, the licensed athletic trainer, and members of the first aid squad or ambulance team.
3. "Parent" means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s) or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency who has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

B. Precautions

1. All coaches, including assistant coaches, and all staff who supervise sports and other athletic activity will be trained in first aid to include sports-related concussions and head injuries, the identification of injured and disabled student athletes, and any other first aid procedures required by statute, administrative code, or by the Superintendent.
2. Athletic coaches or supervising staff members are responsible at all times for the supervision of students to whom they have been assigned. Students shall not be left unattended at any time.

3. Students who participate in athletic competition shall be trained in proper athletic procedures, in the proper use of athletic equipment, and in the proper use of protective equipment and clothing.
 4. Student athletes shall be required to report promptly to the athletic coach or supervising staff member any injury occurring to the student himself/herself or to another student.
 5. First aid supplies and equipment shall be readily available at all athletic activities and shall be maintained in proper condition.
 6. First aid and emergency medical procedures will utilize universal precautions in handling blood and body fluids as indicated in Policy and Regulation No. 7420 and Regulation No. 7420.1.
 7. Health personnel, including but not limited to, the licensed athletic trainer, school/team physician, and ambulance/first aid squad may be present at athletic activities and events as determined by the Superintendent.
- C. Emergency Action Plan and Procedures
1. The Board of a school district with any of the grades six through twelve shall establish and implement an emergency action plan for responding to a serious or potentially life-threatening sports-related injury in accordance with N.J.S.A. 18A:40-41.11. The plan shall document the proper procedures to be followed when a student sustains a serious injury while participating in sports or other athletic activity. The plan shall be specific to the activity site, and shall be developed in consultation with local emergency medical services personnel in accordance with N.J.S.A. 18A:40-41.11.
 2. The following emergency action plan shall be established and implemented whenever a student is seriously injured when participating in sports or other athletic activity. The emergency action plan shall include the following:
 - a. A list of the employees, team coaches, and licensed athletic trainers in each school who are trained in first aid or cardio-pulmonary resuscitation;

- b. Identification of the employees, team coaches, or licensed athletic trainers in each school who will be responsible for carrying out the emergency action plan and a description of their respective responsibilities;
 - c. Identification of the activity location or venue;
 - d. Identification of the equipment and supplies that may be needed to respond to the emergency, including the location of each item; and
 - e. A description of the proper procedures to be followed after a student sustains a serious or life threatening sports-related injury including, but not limited to, responding to the injured student, summoning emergency medical care, assisting emergency responders in getting to the injured student, and documenting the actions taken during the emergency.
3. The emergency action plan shall be reviewed annually and updated as necessary. The plan shall be rehearsed annually in each school by the individuals who will be responsible for executing the plan in an emergency pursuant to N.J.S.A. 18A:40-41.11.
4. The proper procedures to be followed after a student sustains a serious or life-threatening sports-related injury while participating in sports or other athletic activity shall include, but not be limited to, the following components:
- a. The athletic coach or supervising staff member shall immediately notify the health personnel present at the activity and the health personnel shall assume responsibility for the emergency treatment of the student.
 - b. If no health personnel are present, or if none can be immediately summoned to the student's aid, the athletic coach or supervising staff member shall administer such first aid as may be necessary.

c. If the student's injury requires more than routine first aid, the athletic coach or supervising staff member shall:

- (1) Summon emergency personnel by calling 911; or
- (2) Arrange for the student's transportation to the nearest hospital or the office of the school physician.

d. The athletic coach or supervising staff member shall promptly notify the Building Principal, the Superintendent, and the student's parent(s) of the student's injury and the condition and location of the student.

e. An injured student who has been transported away from school premises must be accompanied by the athletic coach or supervising staff member, a member of the athletic department, a health professional, or other responsible adult known to the athletic coach or supervising staff member.

5. These emergency procedures may be followed when the injured student is a member of a visiting team or district. In the event the visiting team has health personnel or staff members present, every effort shall be made to cooperate with the health personnel and/or staff of the district in which the student is enrolled.

D. Non-Serious or Non-Life-Threatening Injuries During an Athletic Program or Activity

The Superintendent or designee shall prepare procedures for responding to a non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity. These procedures shall be reviewed annually and updated as necessary and shall be disseminated to appropriate staff members.

E. Reports

1. The athletic coach or supervising staff member shall complete and file a report of every injury that occurs to a student in the course of

his/her participation in sports or other athletic activity regardless of the severity of the injury. The report shall include:

- a. The date of the incident;
 - b. The name, age, and grade level of each injured student;
 - c. The district in which the student is enrolled;
 - d. The name and district of each student involved in the incident;
 - e. A narrative account of the incident;
 - f. A detailed description of the injury;
 - g. The treatment given on school premises and the names of the health personnel, if any, who treated the student;
 - h. The place, if any, to which the student was taken and the persons who accompanied the student; and
 - i. How the notice was provided to the student's parent(s).
2. Copies of the report shall be filed with the school nurse and the Building Principal within twenty-four hours or by the end of the next school day after the incident.
 3. The Building Principal shall report the incident to the Superintendent, who may report the incident to the Board.
 4. A copy of each report of an incident of student injury that occurs in the course of the sport or other athletic activity shall be maintained by the Principal or designee, who shall analyze reports for patterns that indicate a need for revision of the district's safety and/or athletics program. The Principal or designee shall report the findings of his/her analysis to the Superintendent on an annual basis.

5. The parent(s) of each injured student will be given assistance in the completion and filing of insurance claim forms.

F. Readmission to Athletic Activities

A student who sustains a serious or potentially life-threatening injury while participating in a sport or other athletic activity will be permitted to resume participation upon submission of written medical clearance from the student's medical home, which shall be subject to review by school district health personnel. Written notice of that determination, approved by the school health personnel as appropriate, shall be given to the student's parent(s).

The prevention and treatment of suspected sports-related concussions and head injuries shall be in accordance with the provisions of N.J.S.A. 18A:40-41.1 et seq. and Policy and Regulation 2431.4.

Adopted: 23 August 2010

DRAFT: 19 January 2021

5330.05 SEIZURE ACTION PLAN

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board **or administrative designee** written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

R 5330.05 SEIZURE ACTION PLAN

A. Definitions (N.J.S.A. 18A:40-12.34)

1. “Individualized emergency health care plan” means a document developed by the school nurse, in consultation with the parent of a student with epilepsy or a seizure disorder and other appropriate medical professionals, which is consistent with the recommendations of the student’s health care providers and which provides specific actions for non-medical school staff to do in a particular emergency situation and is signed by the parent or guardian and the school nurse.
2. “Individualized health care plan” means a document developed by the school nurse, in consultation with the parent of a student with epilepsy or a seizure disorder and other appropriate medical professionals who may be providing epilepsy or seizure disorder care to the student, which is consistent with the recommendations of the student’s health care providers and which sets out the health services needed by the student at school and is signed by the parent or guardian and the school nurse.
3. “School” means an elementary or secondary public school located within this State.
4. “School employee” means a person employed by a school district.
5. “Seizure action plan” means a comprehensive document provided by the student’s physician, advanced practice nurse, or physician’s assistant which includes, but is not limited to, information regarding presentation of seizures, seizure triggers, daily seizure medications, seizure first aid, and additional treatments.

B. Annual Submission of Student’s Seizure Action Plan (N.J.S.A. 18A:40-12.35)

1. The parent of a student with epilepsy or a seizure disorder who seeks epilepsy or seizure disorder care for the student while at

school shall annually submit to the school nurse the student's seizure action plan.

2. The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided that the parents of the student annually provide to the Board of Education **or administrative designee** written authorization for the provision of epilepsy or seizure disorder care.
3. The individualized health care plan and individualized emergency health care plan, developed in accordance with N.J.S.A. 18A:40-12.35, shall be annually updated by the school nurse and as necessary in the event there is a change in the health status of the student.
4. Each individualized health care plan shall include, and each individualized emergency health care plan may include, the following information:
 - a. Written orders from the student's physician or advanced practice nurse outlining the epilepsy or seizure disorder care;
 - b. The symptoms of the epilepsy or seizure disorder for that particular student and recommended care;
 - c. Full participation in exercise and sports, and any contraindications to exercise, or accommodations that must be made for that particular student;
 - d. Accommodations for school trips, after-school activities, class parties, and other school-related activities;
 - e. Education of all school personnel about epilepsy and seizure disorders, how to recognize and provide care for epilepsy and seizure disorders, and when to call for assistance;
 - f. Medical and treatment issues that may affect the educational process of the student with epilepsy or the seizure disorder;

- g. The student's ability to manage, and the student's level of understanding of, the student's epilepsy or seizure disorder; and
 - h. How to maintain communication with the student, the student's parent and health care team, the school nurse, and the educational staff.
 - i. Designee of a trained medical professional to administer emergency medication to the student in the event of prolonged seizure on school trips.
 - 5. The Superintendent or designee shall coordinate the provision of epilepsy and seizure disorder care at school and ensure that all staff and ancillary personnel are trained in the care of students with epilepsy and seizure disorders, including staff working with school-sponsored programs outside of the regular school day.
 - 6. The training required pursuant to B.5. above shall include a Department of Health approved on-line or in-person course of instruction provided by a nonprofit national organization that supports the welfare of individuals with epilepsy and seizure disorders.
- C. Information Provided to Bus Driver (N.J.S.A. 18A:40-12.36)
 - 1. In the event a school bus driver transports a student with epilepsy or a seizure disorder, the School Business Administrator/Board Secretary or designee shall provide the driver with:
 - a. A notice of the student's condition;
 - b. Information on how to provide care for epilepsy or the seizure disorder;
 - c. Emergency contact information;
 - d. Epilepsy and seizure disorder first aid training; and
 - e. Parent contact information.

D. Release to Share Medical Information (N.J.S.A. 18A:40-12.37)

1. The school nurse shall obtain a release from the parent of a student with epilepsy or a seizure disorder to authorize the sharing of medical information between the student's physician or advanced practice nurse and other health care providers.
 - a. The release shall also authorize the school nurse to share medical information with other staff members of the school district as necessary.
 - b. The release of medical information form is renewed for each school year.

6440 COOPERATIVE PURCHASING

The Board of Education recognizes that centralized, cooperative purchasing may maximize the value received for each dollar spent. The Board of Education is encouraged to seek savings that may accrue to the school district by means of joint agreements for the purchase of goods or services with the governing body of any lead agency

For the purpose of this Policy, “cooperative pricing system” means a purchasing system in which the lead agency advertises for bids, awards a master contract to the vendor providing for its own quantities and the estimated quantities submitted by the individual registered members.

For the purpose of this Policy, “cooperative purchasing system” means a cooperative pricing system, joint purchasing system, commodity resale system, county cooperative contract purchasing system, or regional cooperative pricing system which has been approved and registered subject to N.J.A.C. 5:34-7.1 et seq.

For the purpose of this Policy, “electronic data processing” means the storage, retrieval, combination, or collation of items of information by means of electronic equipment involving the translation of words, numbers, and other symbolic elements into electrical impulses or currents.

For the purpose of this Policy, “joint purchasing system” means ~~is~~ a cooperative purchasing system in which the lead agency serves as the purchasing agent for the membership of the system with all of the duties and responsibilities attendant. The lead agency advertises for bids and awards a single contract to a vendor providing for the payment to the contractor for its own needs and for the needs of the participating registered members of the system. The only contractual relationship is between the lead agency and the vendor.

For the purpose of this Policy, “lead agency” means the contracting unit which is responsible for the management of the cooperative purchasing system.

For the purpose of this Policy, “registered members” means Boards of Education who have been approved by the Director of the New Jersey Department of Community Affairs for participation in the cooperative purchasing system.

When the lead agency is a Board of Education or Educational Service Commission and the entire membership of the cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services in the Department of Community Affairs are Boards of Education, the provision and performance of goods or services shall be conducted pursuant to the Public Schools Contract Law. (N.J.S.A. 18A:18A-11 et seq.)

The School Business Administrator/Board Secretary is hereby authorized to negotiate such joint agreements for goods and services which the Board may determine to be required and which the Board may otherwise lawfully purchase for itself with such approved contracting units as may be appropriate in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

In accordance with the provisions of N.J.S.A. 18A:18A-12, a cooperative or joint purchase agreement(s) shall be entered into by resolution adopted by each participating Board of Education, municipality, or county, and shall set forth the categories of goods or services to be provided or performed; the manner of advertising for bids and the awarding of contracts; the method of payment by each participating

Board of Education, municipality or county, and other matters deemed necessary to carry out the purposes of the agreement. Agreements for cooperative and joint purchasing will be subject to all bidding requirements imposed by law. Purchases made through the State Treasury Department may be made without bid.

Each participant's share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the same manner as for other expenses of the participant.

In accordance with the provisions of N.J.S.A. 18A:18A-14.2, the Board may by contract or lease to provide electronic data processing services for the Board of Education of another school district; and may undertake with such other Board, the joint operation of electronic data processing of their official records and other information relative to their official activities, services and responsibilities. The records and other information originating with any Board participating in such contract or lease may be combined, compiled, and conjoined with the records and other information of any and all participating local units for the purposes of such electronic data processing; and any provisions of law requiring such records to be kept confidential or to be retained by any Board or any officer or agency thereof shall be deemed to be isolated thereby.

A contract or lease to provide electronic data processing services shall set forth the charge for all services provided, or in the case of a joint undertaking the proportion of the cost each party thereto shall assume and specify all the details of the management of the joint undertaking, and any other matters that may be deemed necessary for insertion therein, and may be amended from time to time by the contracting parties in accordance with N.J.S.A. 18A:18A-14.3.

For the purpose of carrying into execution a contract or lease for a joint enterprise under N.J.S.A. 18A:18A-14.4, any party to such contract may act as agent for any or all parties in acquiring, by lease, purchase or otherwise, any property, facilities or services, in appointing such officers and employees as may be necessary and directing its activities, to the same extent as a Board of Education is authorized to do separately.

In the event that any controversy or dispute shall arise among the parties (except a municipality or county) to any such contract, the same shall be referred to the Executive County Superintendent of the county in which the districts are situated for determination and the determination shall be binding, subject to appeal to the Commissioner of Education pursuant to law. In the event the districts are in more than one county, the controversy or dispute shall be referred to the Executive County Superintendents of the counties for joint determination, and if they shall be unable to agree upon a joint determination within thirty days, the controversy or dispute shall be referred to the Commissioner of Education for determination.

6470.01 ELECTRONIC FUNDS TRANSFER AND
CLAIMANT CERTIFICATION

The Board of Education permits the School Business Administrator/Board Secretary to use standard electronic funds transfer (EFT) technologies for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.

“Electronic funds transfer” for the purpose of Policy and Regulation 6470.01 means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

In accordance with N.J.S.A. 40A:5-16.5.b.(1), the Board of Education authorizes the use of only the forms of standard EFT technologies that are approved to be used by a Board of Education for EFTs for payment of claims. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.

In accordance with N.J.S.A. 40A:5-16.5.b.(2), the Board designates the School Business Administrator/Board Secretary as being responsible for the oversight and administration of the provisions of N.J.S.A. 40A:5-16.5, N.J.A.C. 5:30-9A.1 et seq.; N.J.A.C. 5:31-4.1, and Policy and Regulation 6470.01.

The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at a minimum, the features and safeguards outlined in N.J.A.C. 5:30-9A.4(a). The Board will only utilize standard EFT technologies upon instituting, at a minimum, the fiscal and operational controls outlined in N.J.A.C. 5:30-9A.4(b).

The School Business Administrator/Board Secretary shall initiate a claim for payment by presenting a claim that has been approved by the Board, to be paid using an EFT technology. The School Business Administrator/Board Secretary shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary, who shall review the claim for payment and authorize, in writing, the EFT claim using an EFT method.

Electronic Funds Transfer and Claimant Certification (M)

The Board of Education shall annually approve the School Business Administrator/Board Secretary as the person authorized to initiate a claim for payment and the Superintendent of Schools or a designee not under the direct supervision of the School Business Administrator/Board Secretary as the person responsible to review a claim for payment presented by the School Business Administrator/Board Secretary and authorize payment using an approved EFT method.

On no less than a weekly basis, activity reports on all transactions utilizing standard EFT technologies shall be reviewed by an individual designated and approved by the Board that is not under the direct supervision of the School Business Administrator/Board Secretary and is not empowered to initiate or authorize EFTs.

Claimant certification for a Board of Education shall be in accordance with the provisions of N.J.S.A. 18A:19-3 and rules promulgated by the New Jersey Department of Education.

Providers of ACH and wire transfer services must be financial institutions chartered by a State or Federal agency, with the further requirement that these financial institutions providing ACH and wire transfer services be covered under the Governmental Unit Deposit Protection Act (GUDPA), N.J.S.A. 17:9-41 et seq.

EFTs through ACH must utilize Electronic Data Interchange (EDI) technology, which provide transaction related details including invoice numbers, pay dates, and other identifying information as appropriate for each transaction. The Board must approve an ACH Origination Agreement with the financial institution(s).

R 6470.01 ELECTRONIC FUNDS TRANSFER AND
CLAIMANT CERTIFICATION

A. Definitions – N.J.S.A. 40A:5-2 and N.J.A.C. 5:30-9A.2

For the purpose of Policy and Regulation 6470.01:

"Automated clearing house (ACH) transfer" means an electronic funds transfer initiated by the Board of Education authorizing a banking institution to push funds from the Board of Education bank account(s) into a vendor or claimant's bank account, executed through the ACH electronic clearing and settlement system used for financial transactions.

"Board of Education" means a Board of Education as defined by the "Public School Contracts Law," N.J.S.A. 18A:18A-1 et seq.

"Charge account" or "charge card" means an account, linked to a credit card issued by a specific vendor to which goods and services may be charged on credit, that must be paid when a statement is issued.

"Check" means the instrument by which moneys of the Board of Education are disbursed.

"Chief Executive Officer" means the Superintendent of Schools.

"Chief Financial Officer" means the School Business Administrator/Board Secretary.

"Claimant certification" or "vendor certification" means verification of claims pursuant to N.J.S.A. 18A:19-3.

"Disbursement" means any payment of moneys, including any transfer of funds, by any means.

"Electronic Data Interchange (EDI)" means technology that provides transaction related details, including invoice number(s), pay dates, and other identifying information as appropriate for each transaction.

"Electronic Funds Transfer (EFT)" means any approved method of transferring moneys permitted by N.J.A.C. 5:30-9A.1 et seq. that does not involve the physical presentation of a paper check, draft, or similar paper instrument including, but not limited to, wire transfers, e-checks, automated clearing house (ACH) transfers, and transactions initiated by phone or fax.

"Electronic Funds Transfer and Indemnification Agreement" means a signed legally binding indemnification agreement renewed on an annual basis between a Board of Education and a banking institution authorized to conduct business in New Jersey, which authorizes that institution to access bank accounts for the purpose of conducting EFTs through the ACH operating system.

"Governing body" means the Board of Education.

"Internal controls" means fiscal and operational controls that ensure safe and proper use of a standard EFT system and mitigate the potential for fraud and abuse. For purpose of N.J.A.C. 5:30-9A.1 et seq., internal controls shall include technological safeguards and cyber security practices, as well as processes affected by the governing body, management, and other personnel establishing fiscal and operational controls that reduce exposure to risk of misappropriation.

"Local Unit" means any county, municipality, special district, or any public body corporate and politic created or established under any law of this State by or on behalf of any one or more counties or municipalities, or any board, commission, department, or agency of any of the foregoing having custody of funds, but shall not include a school district.

"National Automated Clearing House Association (NACHA) file" means a file, formatted to NACHA specifications, which contains instructions for transferring funds between accounts.

"Payment documentation" means such documentation, including evidence of approvals and certifications, as is required by N.J.S.A. 40A:5-16.b, 40A:5-17, and 18A:19.1 et seq., and N.J.A.C. 5:30-9A.1 et seq. prior to the legal paying out of moneys.

"Procurement card" or "P-card" means an account or physical card that represents an account governed by characteristics specific to a procurement card. These characteristics include limits of time, amount, access, and purchase category controlled by the local unit, local authority, or county college in accordance with an agreement with an issuer. While such cards may have the appearance of a credit card, such as Visa, MasterCard, American Express, or Discover, such general-purpose cards do not feature the controls that procurement cards have and as such are not permitted under N.J.A.C. 5:30-9A.1 et seq. A "Procurement card" or "P-card" may not be used by a Board of Education.

"Reconciliation of activity" means the process used to determine that all transactions utilizing standard EFT technologies are accurate, authorized, and allocable to encumbered appropriations.

"Standard electronic funds transfer technologies" means technologies that facilitate the transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, initiated by means such as, but not limited to, an electronic terminal, telephone, computer, or magnetic tape for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account, and incorporate, at a minimum, internal controls set forth in rules promulgated by the Local Finance Board. No general purpose credit or debit card shall be considered a standard EFT technology.

"Supervisory review" means the process performed by an individual in a supervisory capacity to confirm the propriety and accuracy of standard EFT technologies use initiated by subordinates.

"Transaction" means any activity that may result in demand for payment.

"Warrant" means the draft or check of any Board of Education used in warranting disbursement of moneys and shall, in every instance, be evidenced by the issuance of a check of the Board of Education. In no instance shall it be necessary for the Board of Education to refer to, or issue, a check separate and distinct from the warrant.

- B. Authorization to Use Standard Electronic Funds Transfer Technologies for Electronic Funds Transfers – N.J.A.C. 5:30-9A.3

1. The Board of Education adopts Policy and Regulation 6470.01 to permit the School Business Administrator/Board Secretary to use only the forms of standard EFT technologies that are approved for New Jersey Boards of Education for EFTs for payment of claims pursuant to N.J.A.C. 5:30-9A.1 et seq. and 5:31-4.1, implementing N.J.S.A. 40A:5-16.5.
 - a. A Board of Education may not utilize procurement cards, charge cards, charge accounts, or any payment services such as PayPal or Venmo.
 2. N.J.A.C. 5:30-9A.1 et seq. does not authorize a Board of Education to exceed the maximum bid thresholds or other limits set forth in the Public School Contracts Law, N.J.S.A. 18A:18A-1 et seq.
 3. Providers of ACH and wire transfer services are to be financial institutions chartered by Federal or State authority. ACH and wire transfer services must be provided by a financial institution covered by the Governmental Unit Deposit Protection Act (GUDPA), N.J.S.A. 17:9-41 et seq.
- C. Standard Electronic Funds Transfer Technologies; Internal Controls and Conditions for Use – N.J.A.C. 5:30-9A.4
1. The Board of Education will only initiate and approve electronic funds in accordance with N.J.A.C. 5:30-9A.1 et seq. Standard EFT technologies shall incorporate, at minimum, the following features and safeguards:
 - a. The ability to designate specific individuals able to initiate disbursements, barring those not authorized to initiate disbursements from doing so.
 - (1) The Board of Education designates and approves the School Business Administrator/Board Secretary to be responsible to initiate a claim for payment using an EFT method that has been duly approved in accordance with N.J.S.A. 18A:19-1 et seq. and Policy and Regulation 6470.01.

- (2) Each claim for payment approved or ratified by the Board shall indicate any payment made using an EFT technology, the type of EFT technology that will or has been utilized in paying the claim, along with a reference that permits tracking.
- b. The ability to designate individuals who may authorize disbursement and segregate initiation and authorization functions. Password or other security controls shall be in place to restrict access based on an individual's authorized role.
 - (1) The School Business Administrator/Board Secretary shall initiate a claim for payment by presenting a claim that has been approved by the Board, to be paid using an EFT technology. The School Business Administrator/Board Secretary shall submit the claim for payment with all supporting documentation to the Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary.
 - (2) The Superintendent of Schools or a designee who is not under the direct supervision of the School Business Administrator/Board Secretary shall review the claim for payment and authorize, in writing, the EFT claim that was initiated by the School Business Administrator/Board Secretary before the School Business Administrator/Board Secretary pays the claim using an EFT method.
 - (a) The School Business Administrator/Board Secretary will not pay a claim using an EFT method without written authorization from the Superintendent of Schools or the designee.
 - (3) The Board of Education shall annually approve the School Business Administrator/Board Secretary as

the person responsible to initiate a claim for payment and the Superintendent of Schools or the designee not under the direct supervision of the School Business Administrator/Board Secretary as the person responsible to review a claim for payment presented by the School Business Administrator/Board Secretary and authorize the School Business Administrator/Board Secretary to make the payment using an EFT method.

- (4) The Superintendent of Schools or the designee shall ensure passwords and security codes are in place to restrict access based on an individual's role.
- c. The ability to confirm receipt of payment by vendor.
 - (1) The School Business Administrator/Board Secretary shall receive confirmation from the vendor an EFT payment has been received by the vendor. Documentation supporting receipt of an EFT payment received by a vendor shall be included with the claim's supporting documentation.
- d. The ability to bar automatic debits from Board of Education accounts.
 - (1) The School Business Administrator/Board Secretary shall require all banking institutions approved by the Board of Education prohibit any automatic debits from any Board of Education bank account as each individual disbursement to a vendor must be preceded by instructions submitted to the bank.
- e. The ability for appropriate officials to view transaction history, generate activity reports, and conduct supervisory reviews of all transactions.
 - (1) On no less than a weekly basis, the School Business Administrator/Board Secretary shall prepare an Activity Report on all EFT-based transactions.

- (2) All Activity Reports prepared by the School Business Administrator/Board Secretary shall be submitted and reviewed by an employee or non-employee (i.e. school auditor, accountant, Board President, etc.) approved annually by the Board of Education who is not under the direction of the School Business Administrator/Board Secretary and who is not empowered to authorize EFT transactions.
- (3) The Activity Report shall include, but not be limited to:
 - (a) The name of the payee;
 - (b) The Board approval date approving the payment of the claim;
 - (c) The fund and account the payment is being paid from;
 - (d) The technology utilized in each EFT transaction; and
 - (e) The date of payment.
- (4) A copy of all Activity Reports shall be provided to the Board of Education at the first regular monthly Board meeting following any EFT transactions.
- (5) All EFT Activity Reports and evidence of the review by the employee or non-employee (i.e. school auditor, accountant, etc.) designated and approved annually by the Board of Education who is not under the direction of the School Business Administrator/Board Secretary and who is not empowered to authorize EFT-based transactions are to be maintained and available for audit by the Board of Education's independent auditor.

- (6) The School Business Administrator/Board Secretary or designee shall perform a monthly reconciliation of the reviewed/approved weekly EFT Activity Reports of the EFT transactions appearing on bank statements and in the accounting records (i.e. general ledger, bank reconciliations, list of bills approved by Board, etc.).
 - (a) Evidence to support the performance of this monthly review must be maintained by the School Business Administrator/Board Secretary and available for audit by the Board of Education's independent auditor.
- f. The ability to back-up transaction data and store such data offline.
 - (1) The School Business Administrator/Board Secretary shall ensure all EFT transaction data is backed-up and stored offline.
 - (a) However, any ACH file that is in plain text format must not be stored on a Board of Education's local computer past the time the file is transmitted to the bank.
- g. Measures to mitigate risk of duplicate payment.
 - (1) The School Business Administrator/Board Secretary shall ensure an EFT payment is not duplicated by any other means.
 - (2) More than one EFT payment to the same vendor ratified or approved for payment by the Board of Education will be reviewed by the School Business Administrator/Board Secretary prior to payment to ensure there is no duplicate or multiple payments for the same goods or services.

- h. The creation and maintenance of an audit trail, such that transaction history, including demands for payment and payment initiation, authorization, and confirmation, can be independently tracked and detailed through the use of an EDI or functional equivalent.
 - (1) The Board of Education's EDI or functional equivalent will have the ability to create and maintain the required audit trail.
- i. The following cyber security best practice framework shall be followed:
 - (1) Any system supporting a standard EFT shall:
 - (a) Be hosted on dedicated servers or in a FedRAMP Moderate Impact Level Authorized Cloud. When using cloud services, the vendor shall check provider credentials and contracts;
 - (b) Encrypt stored and transmitted financial information and personal identification information;
 - (c) Maintain only critical personal identification information. Social Security numbers shall not be utilized as identification numbers for system purposes;
 - (d) Employ a resilient password policy;
 - (e) Undergo regular and stress testing;
 - (f) Have regular security updates on all software and devices carried out;
 - (g) Have back-up plans, information disposal, and disaster recovery procedures created and tested;

- (h) Undergo regular security risk assessments for detecting compromises, along with regular monitoring for vulnerabilities, with necessary patches and updates being implemented; and
 - (i) Develop a Cybersecurity Incident Response Plan.
 - (2) The managing organization shall:
 - (a) Check provider credentials and contracts when using cloud services;
 - (b) Educate staff in good security measures and perform employee background checks; and
 - (c) Create a computer security incident response team, generally called a CSIRT.
- j. Financial institution providers of standard EFT technologies shall provide annual evidence of satisfactory internal control to the School Business Administrator/Board Secretary;
- k. ACH payments shall follow rules set forth by the National Automated Clearing House Association (NACHA) or an equivalent successor banking industry standard. In addition, the following safeguards shall be instituted:
 - (1) All EFTs through the ACH must utilize EDI technology and be subject to an Electronic Funds Transfer and Indemnification Agreement;
 - (2) A user that can generate an ACH file shall neither have upload rights nor access that permits editing of a vendor routing number or vendor account number;

- (3) Each edit to vendor ACH information shall be approved by a separate individual and be logged showing the user editing the data, date stamp, IP address, and the approval of the edit;
 - (4) Any ACH file that is in plain text format shall not be stored on a local computer past the time transmitted to a bank; and
 - (5) If supported by the Board of Education's financial institution(s), said entities shall avail themselves of the ability to recall ACH payments via NACHA file.
2. The Board of Education will only utilize standard EFT technologies upon instituting, at a minimum, the following fiscal and operational controls:
 - a. Policy and Regulation 6470.01 shall be adopted authorizing and governing the use of standard EFT technologies consistent with N.J.A.C. 5:30-9A.1 et seq.;
 - b. The School Business Administrator/Board Secretary shall ensure that the minimum internal controls set forth in N.J.A.C. 5:30-9A.1 et seq., along with those internal controls set forth in Policy and Regulation 6470.01 are in place and being adhered to;
 - c. Initiation and authorization roles shall be segregated, and password-restricted.
 - (1) The School Business Administrator/Board Secretary shall be responsible for initiating all EFTs.
 - (2) When the School Business Administrator/Board Secretary initiates an EFT, the Superintendent or a designee not under the direct supervision of the School Business Administrator/Board Secretary shall be responsible for authorization of the EFT.

- (a) The School Business Administrator/Board Secretary will not pay a claim using an EFT method without written authorization from the Superintendent of Schools or the designee.
- (3) The Board of Education may designate and approve a backup officer/staff member in the event the School Business Administrator/Board Secretary or Superintendent or a designee not under the direct supervision of the School Business Administrator/Board Secretary who is approved to authorize the EFT payment is unavailable.
- (4) All payment of claims, ordinances, or resolutions enacted pursuant to N.J.S.A. 40A:5-17.b shall, at a minimum, comply with the provisions of N.J.A.C. 5:30-9A.4.
- (5) N.J.A.C. 5:30-9A.4 shall not be interpreted to prevent a Board of Education from requiring, authorizing, and approving more than one officer to authorize an EFT.
- d. No Board of Education shall disburse funds unless the goods and services are certified as having been provided pursuant to N.J.S.A. 18A:19-1 et seq. and N.J.A.C. 5:30-9A.1 et seq.
- e. On no less than a weekly basis, Activity Reports on all transactions utilizing standard EFT technologies shall be reviewed by an individual designated and approved by the Board that is not under the direct supervision of the School Business Administrator/Board Secretary and is not empowered to initiate or authorize EFTs.
 - (1) Reconciliations shall be performed on a monthly basis.

- (2) All Activity Reports generated by the School Business Administrator/Board Secretary shall be monitored by another individual designated and approved by the Board who is not under the supervision of the School Business Administrator/Board Secretary.
- f. A user that uploads an ACH file shall check the amounts and recipients against a register displaying ACH payments.
- D. Claimant Certification; When Payment Can Be Made Without Claimant Certification - N.J.A.C. 5:30-9A.6
 1. Claimant certification for a Board of Education shall be in accordance with the provisions of N.J.S.A. 18A:19-3 and rules promulgated by the New Jersey Department of Education.
- E. Automated Clearing House (ACH) Transactions
 1. Providers of ACH and wire-transfer services must be financial institutions chartered by a State or Federal agency, with the further requirement that financial institutions providing ACH and wire transfer services be covered under the GUDPA, N.J.S.A. 17:9-41 et seq.
 2. ACH payments shall follow rules set forth by the National Automated Clearing House Association (NACHA) or equivalent successor banking industry standard.
 3. EFTs through ACH must utilize EDI technology which provides transaction related details including invoice numbers, pay dates, and other identifying information as appropriate for each transaction.
 4. The Board of Education must approve an ACH Origination Agreement with the financial institution(s).
 5. Users authorized to generate an ACH file shall neither have upload rights nor access permitting editing of a vendor routing number or vender account number.

DRAFT: 19 January 2021

7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities. The Board will comply with the security measures required in N.J.S.A.18A:7G-5.2 for new school construction and for existing school buildings.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment.

The Board shall provide to local law enforcement authorities a copy of the current blueprints and maps for all schools and school grounds within the school district or nonpublic school. In the case of a school building located in a municipality in which there is no municipal police department, a copy of the floorplans and maps shall be provided to an entity designated by the Superintendent of the New Jersey State Police. The Board shall provide revised copies to the applicable law enforcement authorities or designated entities any time that there is a change to the blueprints or maps.

The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency pursuant to N.J.S.A. 18A:41-10 through 13.

The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

In accordance with N.J.S.A. 18A:7G-5.2.b.(15), propping open doors to buildings on school grounds is strictly prohibited and students and staff shall not open a door for any individual. All persons seeking entry into the main building shall be directed to the main entrance.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

Protective devices designed to be used as safeguards against illegal entry and vandalism may be installed when appropriate. The Board may approve the employment of school resource officers, school security officers, and/or law enforcement officers in situations in which special risks are involved.

The school district shall annually conduct a school safety audit for each school building in accordance with the provisions of N.J.S.A. 18A:41-14.

R 7440 SCHOOL DISTRICT SECURITY

A. Definitions

“Access” means authorized access to a school building or school grounds through the use of a Board-approved key control system.

“Key control system” means the use of a key, card, code, or any other means to disengage a locking mechanism to provide entry to a school building or school grounds.

“Panic alarm” means a silent security system signal generated by the manual activation of a device intended to signal a life-threatening or emergency situation requiring a response from law enforcement.

“School buildings” and “school grounds” means and includes land, portions of land, structures, buildings, and vehicles, when used for the provision of academic or extracurricular programs sponsored by the school district or community provider and structures that support these buildings, such as school district wastewater treatment facilities, generating facilities, and other central service facilities including, but not limited to, kitchens and maintenance shops. “School buildings” and “school grounds” also includes athletic stadiums; swimming pools; any associated structures or related equipment tied to such facilities including, but not limited to, grandstands; night field lights; greenhouses; garages; facilities used for non-instructional or non-educational purposes; and any structure, building, or facility used solely for school administration. “School buildings” and “school grounds” also includes other facilities such as playgrounds; and other recreational places owned by local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land in accordance with N.J.A.C. 6A:16-1.3 and 6A:26-1.2.

B. Access to School Buildings and School Grounds

1. Access to school buildings and grounds during the school day will be permitted to all students enrolled in the school, all authorized school staff members, and visitors pursuant to Policy and Regulation 9150.
2. Access to school buildings and grounds before and after the school day will be permitted to:

- a. Members of the Board of Education;
 - b. Administrative and supervisory staff members, teaching staff members, and support staff members assigned to a school building or grounds in the performance of their duties;
 - c. Other school staff members in the performance of their professional responsibilities;
 - d. Students involved in interscholastic athletics, co-curricular or extra-curricular activities, and authorized spectators;
 - e. Members of organizations granted the use of school premises pursuant to Policy and Regulation 7510;
 - f. Police officers, fire fighters, health inspectors, and other agents of Federal, State, and local government in the performance of their official duties;
 - g. Members of the public present to attend a public Board of Education or public school-related function; and
 - h. Others authorized by the Superintendent or designee and/or by Board Policy.
3. All visitors to a school building during a school day will be required to register their presence in the school and comply with the provisions of Policy and Regulation 9150. The school's registration and sign-in procedures may include the use of a school visitor management system requiring the visitor to present acceptable identification to access the school building.
 4. Signs will be conspicuously posted to inform visitors of the requirement to register their presence into the building.
- C. Key Control System for Access to School Buildings and Facilities
1. School staff members will be provided access to a school building using the school's key control system as follows:

- a. Teaching staff members and support staff members will be provided access using the school's key control system to the school building and to other facilities on school grounds to which they require access for the performance of their professional duties.
 - (1) The Building Principal will determine the school staff members who shall be provided access to facilities within the school building and on school grounds.
 - (2) The Superintendent or designee will determine the district administrators, supervisors, and other staff members who shall be provided access to facilities within the school building and on school grounds.
 - 2. School staff members provided access to a school building or other facilities on school grounds shall be responsible for ensuring their key control system authorization is not shared with another individual without prior approval of the Principal or designee for school staff members, or the Superintendent or designee for district staff members. Staff members are prohibited from permitting their key control system authorization to be used by another person unless prior approval is obtained from the Principal or designee at the building level and Superintendent or designee at the district level or in the event of an emergency.
 - 3. A staff member's loss of a key, card, or any other device authorizing the staff member access to a school building or a facility on school grounds must be immediately reported to the Principal or Superintendent or designee. The staff member who loses a key, card, or any such access device may be responsible for the replacement cost.
- D. School Building Panic Alarm or Emergency Mechanisms (N.J.S.A. 18A:41-10 through 13)
- 1. Each public elementary and secondary school building shall be equipped with at least one panic alarm for use in a school security emergency including, but not limited to, a non-fire evacuation, lockdown, or active shooter situation.

2. The alarm shall be directly linked to local law enforcement authorities or, in the case of a school building located in a municipality in which there is no municipal police department, a location designated by the Superintendent of the New Jersey State Police.
 3. The alarm shall be capable of immediately transmitting a signal or message to such authorities outlined in D.2. above upon activation.
 4. The alarm shall not be audible within the school building.
 5. Each panic alarm required under N.J.S.A. 18A:41-11 and Policy and Regulation 7440 shall:
 - a. Adhere to nationally recognized industry standards, including the standards of the National Fire Protection Association and Underwriters Laboratories; and
 - b. Be installed solely by a person licensed to engage in the alarm business in accordance with the provisions of N.J.S.A. 45:5A-27.
 6. The school district may equip its elementary and secondary school buildings with an emergency mechanism that is an alternative to a panic alarm if the mechanism is approved by the New Jersey Department of Education.
- E. Staff Member Responsibilities
1. Staff members should not bring to school valuable personal items that cannot be in the staff member's personal possession at all times. The Board of Education is not responsible for a staff member's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed.
 2. In the event a staff member observes a student has a valuable item in school, the staff member will report it to the Principal or designee. A valuable item may include, but is not limited to, an unusually large amount of money, expensive jewelry or electronic equipment, or any item that is determined by the Principal or designee to be valuable to a student based on the student's age.

- a. The Principal or designee may contact the student's parent and request the parent come to school to retrieve the valuable item;
 - c. The Principal or designee may secure the valuable item and return it to the student at the end of the school day and inform the student and the parent not to bring the valuable item to school in the future; or
 - d. The Principal or designee will permit the student to maintain the valuable item and inform the student and the parent not to bring the valuable item to school in the future.
 - e. The Board of Education is not responsible for a student's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed when in the possession of the student.
 - 3. Teaching staff members shall close classroom windows and shut and lock classroom doors when leaving at the end of the school day; shut and lock classroom doors during the school day when the room is not going to be in use after their assignment, and report immediately to the Principal or designee any evidence of tampering or theft.
 - 4. Custodians shall, at the end of the work day, conduct a security check of the building to make certain that all windows are closed and all office, classroom, and building doors are shut and locked, except as such doors may be required to be open for persons with access.
 - 5. Office personnel shall take all reasonable precautions to ensure the security of all school and district records and documents against unauthorized access, deterioration, and destruction.
- F. School Safety Specialist
- 1. The Superintendent of Schools shall designate a school administrator, or a school employee with expertise in school safety and security, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3.

2. The School Safety Specialist shall:
 - a. Be responsible for the supervision and oversight for all school safety and security personnel, policies, and procedures in the school district;
 - b. Ensure that these policies and procedures are in compliance with State law and regulations; and
 - c. Provide the necessary training and resources to school district staff in matters relating to school safety and security.
 3. The School Safety Specialist shall also serve as the school district's liaison with law enforcement and national, State, and community agencies and organizations in matters of school safety and security.
 4. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist Certification in accordance with the provisions of N.J.S.A. 18A:17-43.2.
- G. Summoning Law Enforcement Authorities
1. Law enforcement authorities will be summoned promptly whenever evidence is discovered that indicates: a crime has been committed on school premises or in the course of staff or student transportation to or from school; a break and entry may have occurred on school grounds; a deadly weapon is on school premises; a breach of the peace has occurred on school premises; for any reason required in the Memorandum of Understanding between the Board of Education and Law Enforcement and in accordance with Policy and Regulation 9320; or for any other reason there is concern about the health, safety, and welfare of persons on school grounds or school property.
 2. Anytime law enforcement agents are summoned in accordance with G.1. above, the Superintendent will be notified as soon as possible.
- H. Annual School Safety Audit for Each School Building
1. The district shall annually conduct a school safety audit for each school building using the checklist developed by the New Jersey

Office of Homeland Security and Preparedness in collaboration with the Department of Education pursuant to section H.2. below.

- a. The district shall submit the completed audit to the New Jersey Office of Homeland Security and Preparedness and the Department of Education in accordance with the provisions of N.J.S.A. 18A:41-14.a.
 - b. The audits shall be kept confidential and shall not be deemed a public record under N.J.S.A. 47:1A-1 et seq. or the common law concerning access to public records, but may be utilized for the purpose of allocating any State grants or loans made available for the purpose of school facility safety and security upgrades.
2. The New Jersey Office of Homeland Security and Preparedness in collaboration with the Department of Education shall develop a comprehensive checklist of items to be reviewed and evaluated in the school safety audit(s) conducted by the school district pursuant to Section H.1. above.
 - a. The checklist shall include items to assess the security features and security vulnerabilities of the school district's school buildings and grounds. The checklist shall also include items to assess the emergency notification systems used to facilitate notification to parents and other members of the community in the case of school emergencies.
 - b. The checklist shall be reviewed annually by the New Jersey Office of Homeland Security and Preparedness and the Department of Education and updated as appropriate.
3. The New Jersey Office of Homeland Security and Preparedness in collaboration with the Department of Education shall provide technical assistance to school districts to facilitate the completion of the checklists in a uniform manner.

7450 PROPERTY INVENTORY

The Board of Education recognizes the necessity for maintaining an accurate and complete inventory of all buildings, fixed equipment, and contents along with the valuation thereof in order to offer proof of loss in event of an insurance claim and to provide a continuous chain of accountability.

The School Business Administrator/Board Secretary shall establish an inventory control system for the school district which is in compliance with law. This system shall include any needed local inventories and shall evaluate the life expectancy of all identified items.

All property records shall be updated every year to coincide with the re-issuance of property and casualty insurance policies. The property records shall be reported to the insurance company annually.

Major discrepancies or losses which are not resolved by proper accounting procedures shall be reported to the Board by the School Business Administrator/Board Secretary.

A physical accounting of all property shall be made as required by law. Identified equipment whose purchase price is in excess of the amount specified by law must be physically inventoried each year.

Inventories shall be depreciated in accordance with statute.

The Superintendent and School Business Administrator/Board Secretary shall insure that inventories are systematically and accurately recorded and that property records of equipment are adjusted annually. Major items of equipment shall be subject to annual spot check inventory to determine loss, misplacement, or depreciation.

The Superintendent and School Business Administrator/Board Secretary shall maintain a system of property records that show, as appropriate to the item recorded, description and identification, manufacturer, year of purchase, initial cost, location, condition and depreciation, and current evaluation in conformity with insurance requirements.

The Board shall determine when it is necessary to hire an outside service to assist in appraisal.

7510 USE OF SCHOOL FACILITIES

The Board of Education believes the school facilities of this district should be made available for community purposes, provided that such use does not interfere with the educational and co-curricular programs of the school district. For the purpose of this policy, “school facilities” also includes school grounds.

The Board will permit the use of school facilities when such permission has been requested in writing and has been approved by the Supervisor of Buildings and Grounds and/or the Athletic Director. The Board reserves the right to withdraw permission after it has been granted in the event circumstances change requiring such school facilities or school grounds will be needed for a school district purpose or due to a school closing due to weather, other emergency or for any other reason.

The Board shall require that all users of school facilities comply with policies of this Board and the rules and regulations of this district. Each user shall present evidence of the purchase of organizational liability insurance to the limit prescribed by district regulations. Users shall be financially liable for damage to the facilities and for provision of proper chaperonage.

Authorization for use of school facilities shall not be considered as endorsement of or approval of the activity, person, group or organization nor the purposes they represent.

In the event the Superintendent or the Supervisor of Buildings and Grounds and/or the Athletic Director deems it advisable, any application may be submitted to the Board of Education for action.

The Superintendent or Board of Education may refuse to grant the use of a school building whenever, in their judgment, there is good reason why permission should be refused.

This policy and the regulations developed to enforce this policy shall be agreed to in advance by anyone granted the right to use school facilities.

In weighing competing requests for the use of school facilities, the Board will give priority to the following uses, in the descending order given:

Class I

Uses and groups directly related to the schools and the operations of the schools, including pupil and teacher groups;

Uses and organizations indirectly related to the schools, including the P.T.A., P.T.O., Home-School Association, and other school-parent related organizations;

Departments and agencies of the municipal government;

Governmental agencies;

Community organizations formed for charitable, civic, social, or educational purposes;

Class II

Community political organizations;

Class III

Community church groups;

Private groups and organizations.

The use of school facilities will not be granted for any purpose that is prohibited by law.

Each user shall present evidence of the purchase of organizational liability insurance to the limit as prescribed by district regulations. Each user shall inspect any facility or school grounds to be used prior to such use and shall notify a district representative of any existing safety or dangerous conditions. In the event such conditions exist, the district may cancel or modify the user's access to the school facility until such conditions are addressed. Users shall be financially liable for damage to the facilities and for proper chaperonage as required by the school district administration.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted in accordance with Policy No. 7520. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence. Where rules so specify, certain items of equipment may only be used by a qualified operator approved by the Supervisor of Buildings & Grounds and/or school district administration.

The Board shall approve a schedule of fees for the use of school facilities based upon the following guidelines:

1. The use of school facilities for activities directly related to the educational program and district operations shall be without cost to the user except

that the user may be responsible for any custodial costs incurred by the use and any fees charged by a law enforcement agency in connection with the use as determined by Supervisor of Buildings & Grounds.

Other non-profit organizations may apply to use school facilities if at least seventy-five percent of their membership resides in Fort Lee. All other organizations or persons granted the use of school shall pay the scheduled fee and the cost of any additional staff services required by the use in advance. The Board shall approve a schedule of fees for the use of school facilities.

The use of school facilities shall not be granted for the advantage of any commercial or profit-making organization, private social functions, or any purpose which is prohibited by law.

2. All other organizations or persons granted the use of school shall pay in advance the scheduled fee and the cost of any additional staff services required by the use.

The school district shall provide a copy of Policy and Regulation 2431.4 – Prevention and Treatment of Sports-Related Concussions and Head Injuries to all youth sports team organizations that operate on school grounds or in school facilities. In accordance with the provisions of N.J.S.A. 18A:40-41.5, the school district shall not be liable for the injury or death of a person due to the action or inaction of persons employed by, or under contract with, a youth sports team organization that uses school facilities or operates on school grounds if the youth sports team organization provides the school district proof of an insurance policy in the amount of not less than \$50,000 per person, per occurrence; insuring the youth sports team organization against liability for any bodily injury suffered by a person. The youth sports team organization must also provide a statement of compliance with the school district's Policy and Regulation 2431.4 - Prevention and Treatment of Sports-Related Concussions and Head Injuries.

For the purpose of this Policy, a “youth sports team organization” means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.

The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on

evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.

Smoking is prohibited at all times in any district building or on school grounds. No one may bring alcoholic beverages onto any school property. All facility use shall comply with State and local fire, health, safety, and police regulations.

When mandated by law, an individual with a Black Seal License is required to be on duty while the building is open for use. The Board retains the right to charge for that and other custodial services and/or building usage.

The buildings might not be available for community use during holidays, vacation periods, or during the time school is not in session over the summer if the programs interfere with cleaning and maintenance schedules.

Any group or organization using the school facilities must maintain order and discipline, and protect school property. They will be responsible for the condition in which they leave the school premises and will be responsible for any damaged school property.

School Grounds

The Board of Education will make every reasonable effort to maintain school grounds in a condition appropriate for the activities of school pupils. All rules for the use of school grounds shall be posted.

Pet animals are not permitted on school district grounds. A pet owner who brings or permits his or her animal on school grounds has committed an act of trespass. If an animal is found running at large on school grounds, its owner will be deemed to have permitted the animal to enter school property.

A report to the appropriate school or municipal authorities will be made if any pet runs at large on school property and any pet owner whose animal is present on school property is in violation of this policy.

Skateboarding is prohibited on school grounds.

Motor vehicles are permitted only in specifically designated areas. Motor vehicles are specifically prohibited from any other area of the school grounds.

Playgrounds

Playgrounds are an integral part of the school grounds and shall be subject to all the restrictions listed above as well as other restrictions. Specifically, the following are prohibited on playgrounds:

1. Alcohol;
2. Smoking;
3. Drugs; and
4. Animals except with the specific permission of the Principal.
5. Loitering

School Fields

Hours of Use: Hours of usage during the week and on weekends shall be upon the mutual agreement of the Board and applicant.

All rules for the use of school fields shall be posted. All users of district fields shall abide by all aspects of this policy and its regulations.

School Equipment

Use of district equipment on the premises by non-school personnel is limited to the equipment that is an integral part of the facility being used, i.e., the stage lights and piano in the auditorium, the basketball baskets in the gym. The user of school owned equipment shall be fully liable for any damage or loss occurring to the equipment during the period of its use, regardless of any assignment of negligence, and shall be responsible for its safe return. No district equipment shall be removed from the premises for use by non-district personnel.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted by the procedure by which permission to use facilities is granted. The user of school equipment must accept liability for any damage to or loss of such equipment that occurs while it is in use. Where rules so specify, no item of equipment may be used except by a qualified operator as determined by Supervisor of Buildings & Grounds and/or school district.

The Board of Education requires that no item of district owned equipment may be loaned for a use off school premises which is not related to the operation of the school district. School equipment may be removed from school property by pupils or staff members only when such equipment is necessary to accomplish a task arising from their school or job responsibilities. The consent of the Principal and the Superintendent is required for such removal. The removal of school equipment from school property by pupils or employees for personal use is prohibited.

The Superintendent shall develop regulations for the use of school facilities; such regulations shall be distributed to every user of the facilities and every applicant for the use of school facilities. Permission to use school facilities shall be granted only to persons and organizations that agree to the terms of Policy and Regulation 7510, the requirements as outlined in the use of school facilities application, and in accordance with the terms outlined in the approval granted by the school district.

The above groups must have seventy-five percent of its membership who are Fort Lee residents as members in the organization in order to qualify as a local organization.

3. Class III users will be given lowest priority for the use of school facilities and may use school district facilities only on payment of a use fee and charges for

custodial and service costs. Class III users include the following organizations and individuals:

This class shall include all other organizations, not included in Class I and II above, when using school facilities.

4. No other organizations or individuals will be permitted to use school facilities.

B. Application Procedures

1. Application must be made in writing and on the form supplied by the school district. The form is available in the office of the Supervisor of Buildings and Grounds, on the district website and/or the Athletic Director.
2. Application for use of school facilities must be submitted to the Supervisor of Buildings and Grounds and/or the Athletic Director not less than 30 working days before the date of the requested use. A use that requires the approval of the Board must be submitted not less than 30 working days prior to a regular Board meeting and not less than 20 working days before the date of the requested use.
3. The application must be signed by an adult representative of the requesting organization, who will be considered by the Board to be the agent of the organization.
4. The application must include all the facilities that the applicant wishes to use and all the dates and times of the requested use. Approval of any application is limited to the facilities, dates, and times expressly requested on the application. Approval does not include the privilege of additional rehearsal time or the use of rooms or buildings not expressly requested.
5. The application must include all the equipment and supplies that the applicant wishes to include in the use, pursuant to Policy No. 7520, Loan of School Equipment.

C. Approval

1. The Supervisor of Buildings and Grounds and/or the Athletic Director will review each application and check the school calendar to determine

whether the facility requested is available at the date and time requested, that is, the facility has not been scheduled

- a. For use in the instructional or co-curricular program,
 - b. For maintenance, repair, or capital improvement, or
 - c. For use by another organization.
2. If the facility is not available for use, the Supervisor of Buildings and Grounds and/or the Athletic Director will so inform the representative of the organization and may suggest alternative dates, times, or facilities.
3. If the facility is available for use and the applicant meets the standards set by Policy No. 7510 and these regulations, the Supervisor of Buildings and Grounds and/or the Athletic Director will note his/her approval on the application form and will record the classification of the applicant organization and forward the application to the Supervisor of Buildings and Grounds and/or the Athletic Director for final approval or for referral to the Board for requests that may be approved only by the Board.
4. Standards for approval include the following limitations on use:
 - a. School facilities are available for use only on weekdays, including school vacations.

School facilities may be available for use on Saturdays, Sundays, and other public holidays depending on appropriate and adequate custodial coverage.
 - b. School facilities are available for use by mutual agreement of the Board and applicant. Permission may be granted for extended use. School facilities are not available for use during the school day or for any use that may interfere with the school district's educational or co-curricular programs.
 - c. The use of school facilities will generally not be granted for observances or celebrations that are essentially private in nature or for meetings of small groups that can conveniently convene in private homes.

- d. In accordance with Policy No. 7510, the use of school facilities will not be granted for the advantage of any commercial or profit-making organization or partisan political activity, or any purpose that is prohibited by law.
5. The Supervisor of Buildings and Grounds and/or the Athletic Director will determine the classification (I, II, or III) of the applicant organization and the fees and costs, if any, to be charged for the use of the facility. This information will be provided on the application form.
6. In the event of a conflict between requesting organizations within the same class, the Supervisor of Buildings & Grounds will determine schedule.
7. A copy of each approved or disapproved application will be distributed to the representative who signed the application form.
8. The application form will include the rules governing the use of school facilities, and the representative's signature on the application will signify notice of those rules and the organization's agreement to be bound by those rules.
9. The Board reserves the right to deny an application and to withdraw permission to use school facilities after approval has been granted before or after the use has commenced for any reason. In addition, permission may specifically be withdrawn from any organization whose representative has willfully made misrepresentation on the application or whose members violate the rules established for the use of school facilities. Such withdrawal of permission may constitute grounds for denying a future application made by the organization.
10. Permission to use school facilities is not transferable.
11. The organization representative must inform the Supervisor Buildings & Grounds and/or Athletic Director of any canceled use request as soon as he/she is aware of the cancellation. An organization's failure to inform the Supervisor of Buildings & Grounds and/or Athletic Director of a canceled use at least 7 working days in advance of the scheduled time or as soon as reasonably possible.

12. Permission to use a school facility is automatically withdrawn on a day when the facility is closed for inclement weather, work stoppage, or other emergency.

D. Insurance and Indemnification

1. The representative of an organization granted permission to use a school facility must assume responsibility for the orderly and careful use of the facility and must agree to assume liability for any damage or loss of property caused by the use or in the course of the use.
2. The organization and/or its representative will hold the Board of Education harmless from claims arising out of the permitted use of the school facility or during the user's occupancy. In addition, the user shall agree to save the Board harmless from liability for injury or damage to any person or property of any person who may be attending or participating in the function or activity for which permission has been granted.
3. The user shall furnish evidence of the purchase of liability insurance in the amount of
 - a. \$500,000 per person for bodily injury
 - b. \$1,000,000 per accident or event for bodily injury
 - c. \$50,000 per accident for property damage.
4. Any youth sports team organization that is granted permission to use school facilities must provide the school district proof of an insurance policy against liability for any bodily injury in the amount of not less than \$50,000 per person per occurrence, insuring the youth sports team organization against liability for any bodily injury suffered by a person. The youth sports team organization must also provide a statement of compliance with the school district's Policy and Regulation 2431.4 - Prevention and Treatment of Sports-Related Concussions and Head Injuries, which will be provided to the adult representative of the requesting organization with the application to use school facilities.

For the purpose of this Policy, a “youth sports team organization” means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.

E. Rules for the Use of School Facilities

1. Users of school facilities will be bound by the law.
 - a. Users must comply strictly with all applicable statutes; municipal ordinances; and rules of the Board of Health, Fire Department, and Police Department regarding public assemblies.
 - b. The use must not exceed the established capacity of the facility used.
 - c. The use must not involve gambling.
 - d. The use, possession, and/or distribution of alcohol and/or controlled dangerous substances are absolutely prohibited, in accordance with law and Policy Nos. 5530 and 7435.
 - e. Smoking is prohibited in accordance with Policy No. 7434.
 - f. School facilities cannot be used for any purpose prohibited by law or likely to result in rioting, disturbance of the peace, damage to property or for the purpose of defaming others.
2. Users of school facilities will respect Board property.
 - a. The user will not damage, destroy, or deface school property. The facility shall be used with care and left in an orderly and neat condition.
 - b. No equipment, decorations, or materials may be nailed to floors, walls, windows, woodwork, curtains or fixtures or affixed to the same in any manner that defaces or damages school property or grounds.

- c. Any equipment, scenery, decorations, or other material brought to the school facility and any debris caused by the use or remaining after the use must be promptly removed by the user. Any such materials left on school premises beyond the time period approved in the application may be removed by the Board at the user's expense. The Board assumes no liability for damage to or loss of materials brought to school facilities.
- d. The user must request in the application and receive permission to use, move, or tune a district piano. A piano may be moved only by school district staff or by a competent and experienced commercial mover approved by the Board and at the expense of the user. Any piano that has been moved must be returned to its original placement with the same care and at the expense of the user.
- e. Users of the gymnasium must ensure that all participants wear rubber-soled footwear to prevent damage to floors.
- f. No school facility may be used for a purpose in conflict with the purpose for which the facility was designed.
- g. Lighting equipment, ventilation systems, and thermostatic controls may be operated only by an employee of the district.
- h. The user must request in the application and receive permission to serve and consume food and/or beverages on school premises. Any liability associated with safety as it pertains to food service or consumption rests with applicant. The service and consumption of food and/or beverages is strictly limited to the area for which permission is granted. If food and/or beverages are served, the user must clean all utensils, equipment, serving dishes, and the like and restore the facility to its proper condition. The user may not consume food or beverages or use supplies purchased with public funds.
- i. No signs, posters, advertisements, or other displays may be placed in a school building without prior approval.
- j. No school keys shall be issued to a user.

- k. No animal shall be allowed on school premises without prior approval.
 - l. An authorized school district staff member shall examine the school facilities and/or grounds after the use and will inform the user of any loss or damage that must be corrected.
 - m. Permission to use school facilities extends only to the facility requested. Users are not entitled to enter health offices, administrative offices, storage closets, or any other room to which permission to use has not been expressly granted. Users are not permitted to use district telephones, word processors, and office equipment.
 - n. No vehicles of any type shall be operated in any area that is not designed for such vehicles without prior permission.
3. Uses Must be Properly Supervised.
- a. A school custodian maybe on duty during the time a use occurs. The custodian is present for the purpose of insuring the security and proper functioning of the facility and of enforcing these regulations. The custodian is paid by the Board and may not accept gratuities from users. If the custodian is needed to perform extra services as an accommodation to the user, the user may be charged an additional fee and the custodian will be compensated accordingly by the district.
 - b. The use of certain school facilities may require the services of school employees trained in the use of the facility. The user will be charged an additional fee and the school employee will be compensated accordingly by the district.
 - c. The user must assume full responsibility for the conduct of all participants in the use while they are in or about school buildings and grounds and must enforce these regulations. The user must provide an adequate number of persons to supervise participants in the activity. The district, depending on the activity, may require as a condition of approval, a certain number of chaperones, law

enforcement officials, and/or a school district representative(s) to be present at the activity.

- d. The user must, in consultation with the Principal, anticipate the need for the assistance of police officers, fire fighters, and/or parking attendants. All such services must be arranged by the user and will be at the expense of the user. When a user refuses or fails to secure police, fire, and/or parking assistance after having been advised to do so by the Principal, the Principal may recommend that permission to use the facility be withdrawn.
- e. Board members and school officials are entitled to full and free access to the school premises during any event utilizing school district facilities. No user may exclude a Board member or school official from a school facility for any reason.

F. Fee Schedule

The Supervisor of Buildings and Grounds and/or the Athletic Director shall determine whether or not police are required. Classes II and III lessees are responsible for the payment of applicable custodial overtime, utilities and police fees where applicable.

All classes are responsible for fees associated with custodial overtime and police fees as a result of the use of facilities on a Sunday.

In order to ensure that facilities are left clean and undamaged after use, security deposits may be required prior to use as follows:

- Class I – No Fee
- Class II - \$500.00
- Class III - \$500.00

Security deposits will be used to clean and restore facilities if needed. If not needed, they shall be returned to the lessee.

Athletic field use does not include the use of locker rooms and lavatories found within the school building.

The fee schedule is based on a minimum of five hours of use per rental. The allotment of time includes the one hour of set-up time and one hour of clean up time if need be. The time also includes the pre and post inspection conducted by the custodian assigned to the event and the lessee representative assigned to this task.

The lessee will be charged a prorated hourly rate for any use of the facilities that exceeds the five hour allotment of time as per the agreement. This prorated fee is based on a per hour computation of the fees set forth for each facility component listed.

Custodians

Custodian(s) are required (a) to be in attendance during the hours of indoor rental; (b) to act as the general custodian of school property and equipment; (c) to clean and make the building ready for the next school day, (d) facilitate the operation of the athletic field lighting system at the high school, (e) to conduct the pre and post inspection of the facility being used. Any such damages or related issues observed in the post inspection will be charged to the lessee.

At least one employee of the Board of Education must be on duty whenever the building is in use except as specified in other regulations adopted by this Board of Education.

Time spent by the custodian(s) in cleaning the facilities used by the lessee must be paid for by that lessee.

Custodial fees will not be charged to school-affiliated groups (Class I) when these fees are reasonable and are incurred because of a fund-raising activity the proceeds of which are to benefit students. Prior to scheduling these fund-raising activities, plans shall be submitted to the Supervisor of Buildings and Grounds or the Athletic Director for approval.

The number of custodians required for each rental will be determined by the Supervisor of Buildings and Grounds. Volunteer help from the organization renting the facility shall be used to the extent possible.

Police

Police may be required during the hours of rental for traffic control, etc. at the expense of the lessee, and as determined by the Board of Education.

Expenses for police will not be charged to school affiliated groups (Class I) when these fees are incurred because of a fund-raising activity the proceeds of which are to benefit

students. Prior to scheduling these fund raising activities, plans shall be submitted to the Supervisor of Buildings and Grounds for approval.

Equipment

Operators for technical equipment, such as the stage lights, sound equipment, etc., may be required by the Board of Education if such equipment is to be used, and paid for by the lessee. An attendant must be present when any cafeteria/kitchen equipment is to be used and paid for by the lessee.

Payment of Fees

Rental fees, including custodial and police charges will be paid in advance. If excess fees are required, they will be billed after the use of the facilities, and are payable within thirty days of the date of billing.

Use of School Facilities – Fee schedule is at the discretion of the District Superintendent.

The use of building facility fees are as follows:

Elementary Schools	Multi-purpose room	\$300
High School	Auditorium	\$2,500
High School	Auditorium Site Manager	\$300
All Schools	Classroom (full day)	\$150
All Schools	Grounds	\$500
All Schools	Cafeteria	\$500
High School Gyms	Main	\$1,000
	Small	\$500
Middle School Gym	Main	\$500

Class II users will be charged a facility fee and shall abide by the following conditions and may be required to pay the following costs:

1. A school custodian must be on duty during the entire time a use occurs. The custodian is present for the purpose of insuring the security and proper functioning of the facility and of enforcing these regulations. The custodian is paid by the Board and may not accept gratuities from users. If the custodian is directed to perform extra services as an accommodation to

the user, the user will be charged an additional fee and the custodian will be compensated accordingly by the district.

2. The use of certain school facilities may (auditorium stage) require the services of school employees trained in the use of the facility. The user will be charged an additional fee and the school employee will be compensated accordingly.

Classes II - III lessees are responsible for payment of custodial overtime and police fees. All classes are responsible for fees associated with custodial overtime and police fees as a result of the use of the facilities on a Sunday.

In order to ensure that facilities are left clean and undamaged after use, security deposits shall be posted prior to use as follows:

- Class II -- \$500.00
- Class III -- \$500.00

Security deposits will be used to clean and restore facilities if needed. If not needed, they shall be returned to the lessee.

Athletic field use does not include the use of locker rooms/lavatories within the school building.

The fee schedule is based on a minimum of five hours of use per rental. The allotment of time includes the one hour of set-up time and one hour of clean-up time if needed. The time also includes the pre and post inspection conducted by the custodian assigned to the event and the lessee representative assigned to this task.

The lessee will be charged a prorated hourly rate for any use of the facilities that exceeds the five hour allotment of time as per the agreement. This prorated fee is based on a per hour computation of the fees set forth for each facility component listed.

G. Provision of Training on School Safety and Security

1. In accordance with the provisions of N.J.S.A. 18A:41-7.c., the Board of Education shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school

hours, on the weekend, or during a period when school is not in session, information on the district's school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information.

2. It shall be the responsibility of the organization that sponsors the youth program to train the program's employees and volunteers on the school security and emergency procedures in effect in the school building in which the youth program is located.
3. The organization that sponsors the youth program shall file a statement of assurance with the Superintendent or designee that it has complied with the training requirements prior to the district authorizing the use of the school building.
 - a. The statement of assurance shall be developed by the Commissioner of Education and shall be filed with the school district on an annual basis.

8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement written plans and procedures to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

In the event of health crises, as determined by executive order, the district will follow guidance from the New Jersey Department of Health, NJ Department of Education, and/or local health officials. The Fort Lee Board of Education may alter those policies pertaining to critical areas of operation in order to establish safe and healthy conditions for teaching and learning. Policies or procedures required under these circumstances may supersede other district policies.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district's plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district's school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district's safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be briefed in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district's plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the

effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

In accordance with N.J.S.A. 18A:41-1, at least one fire drill and one school security drill will be conducted each month within school hours, including any summer months, which the school is open for instructional programs. A school security drill means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a non-fire evacuation, lockdown, bomb threat, or active shooter situation that is similar in duration to a fire drill. Schools are required to hold a minimum of two active shooter, non-fire evacuation, bomb threat, and lockdown security drills annually. Fire alarm systems shall be initiated only during a fire drill evacuation. Responses made necessary by the unplanned activation of emergency procedures or by any other emergency shall not be substituted for a required school security drill.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. Although these outside agencies are not required to observe school security drills, the Principal is encouraged to invite representatives from local law enforcement and emergency responder agencies to attend and observe at least four different security drills annually.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds as provided by the New Jersey Office of Homeland Security and Preparedness.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.
