5330.05 SEIZURE ACTION PLAN

The Board of Education requires the development of a seizure action plan, an individualized health care plan, and an individualized emergency health care plan for students with epilepsy or a seizure disorder to care for and treat these students while at school pursuant to N.J.S.A. 18A:40-12.34 et seq.

In accordance with N.J.S.A. 18A:40-12.35, the parent of the student with epilepsy or a seizure disorder seeking epilepsy or seizure disorder care while at school shall submit the student's seizure action plan annually to the school nurse.

The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided the parents annually provide to the Board written authorization for the provision of epilepsy or seizure disorder care. The school nurse shall update these plans on an annual basis and as necessary in the event there is a change in the health status of the student. These plans shall include the information outlined in N.J.S.A. 18A:40-12.35.

The school nurse shall inform the Medical Director of each child with a seizure action plan at the beginning of each school year, and with any changes thereafter. Any seizure activity should be reported to the prescribing physician and/or advanced practice nurse, as well the Medical Director on the day that it occurs.

In accordance with N.J.S.A. 18A:40-12.35, all staff members including staff working with school-sponsored programs outside the regular school day shall be trained in the care of students with epilepsy and seizure disorders. All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

Seizure Action Plan (M)

N.J.S.A. 18A:40-12.34 et seq.

Adopted:

DRAFT: 22 February 2021

R 5330.05 SEIZURE ACTION PLAN

A. Definitions (N.J.S.A. 18A:40-12.34)

1. “Individualized emergency health care plan” means a document developed by the school nurse, in consultation with the parent of a student with epilepsy or a seizure disorder and other appropriate medical professionals, which is consistent with the recommendations of the student’s health care providers and which provides specific actions for non-medical school staff to do in a particular emergency situation and is signed by the parent or guardian and the school nurse.
2. “Individualized health care plan” means a document developed by the school nurse, in consultation with the parent of a student with epilepsy or a seizure disorder and other appropriate medical professionals who may be providing epilepsy or seizure disorder care to the student, which is consistent with the recommendations of the student’s health care providers and which sets out the health services needed by the student at school and is signed by the parent or guardian and the school nurse.
3. “School” means an elementary or secondary public school located within this State.
4. “School employee” means a person employed by a school district.
5. “Seizure action plan” means a comprehensive document provided by the student’s physician, advanced practice nurse, or physician’s assistant which includes, but is not limited to, information regarding presentation of seizures, seizure triggers, daily seizure medications, seizure first aid, and additional treatments.

B. Annual Submission of Student’s Seizure Action Plan (N.J.S.A. 18A:40-12.35)

1. The parent of a student with epilepsy or a seizure disorder who seeks epilepsy or seizure disorder care for the student while at school shall annually submit to the school nurse the student’s seizure action plan.

2. The school nurse shall develop an individualized health care plan and an individualized emergency health care plan for the student, provided that the parents of the student annually provide to the Board of Education written authorization for the provision of epilepsy or seizure disorder care.
3. The individualized health care plan and individualized emergency health care plan, developed in accordance with N.J.S.A. 18A:40-12.35, shall be annually updated by the school nurse and as necessary in the event there is a change in the health status of the student.
4. Each individualized health care plan shall include, and each individualized emergency health care plan may include, the following information:
 - a. Written orders from the student's physician or advanced practice nurse outlining the epilepsy or seizure disorder care;
 - b. The symptoms of the epilepsy or seizure disorder for that particular student and recommended care;
 - c. Full participation in exercise and sports, and any contraindications to exercise, or accommodations that must be made for that particular student;
 - d. Accommodations for school trips, after-school activities, class parties, and other school-related activities;
 - e. Education of all school personnel about epilepsy and seizure disorders, how to recognize and provide care for epilepsy and seizure disorders, and when to call for assistance;
 - f. Medical and treatment issues that may affect the educational process of the student with epilepsy or the seizure disorder;

- g. The student's ability to manage, and the student's level of understanding of, the student's epilepsy or seizure disorder; and
 - h. How to maintain communication with the student, the student's parent and health care team, the school nurse, and the educational staff.
 - i. **Designee of a trained medical professional to administer emergency medication to the student in the event of prolonged seizure on school trips.**
 - 5. **The school nurse shall inform the Medical Director of each child with a seizure action plan at the beginning of each school year, and with any changes thereafter.**
 - 6. **Any seizure activity should be reported to the student's prescribing physician and/or advanced practice nurse, as well the Medical Director on the day that it occurs.**
 - 7. The Superintendent or designee shall coordinate the provision of epilepsy and seizure disorder care at school and ensure that all staff **and ancillary personnel** are trained in the care of students with epilepsy and seizure disorders, including staff working with school-sponsored programs outside of the regular school day.
 - 8. The training required pursuant to B.5. above shall include a Department of Health approved on-line or in-person course of instruction provided by a nonprofit national organization that supports the welfare of individuals with epilepsy and seizure disorders.
- C. Information Provided to Bus Driver (N.J.S.A. 18A:40-12.36)
- 1. In the event a school bus driver transports a student with epilepsy or a seizure disorder, the School Business Administrator/Board Secretary or designee shall provide the driver with:
 - a. A notice of the student's condition;

- b. Information on how to provide care for epilepsy or the seizure disorder;
 - c. Emergency contact information;
 - d. Epilepsy and seizure disorder first aid training; and
 - e. Parent contact information.
- D. Release to Share Medical Information (N.J.S.A. 18A:40-12.37)
 - 1. The school nurse shall obtain a release from the parent of a student with epilepsy or a seizure disorder to authorize the sharing of medical information between the student's physician or advanced practice nurse and other health care providers.
 - a. The release shall also authorize the school nurse to share medical information with other staff members of the school district as necessary.
 - b. **The release of medical information form is renewed for each school year.**
