## Mathematics Assessment - Performance Trends

This graph shows the percentage of students who met or exceeded expectations on each grade level or end-of-course exam on the New Jersey Student Learning Assessment (NJSLA) for Mathematics for the past three years.
 school and grades 9 and 10. The requirements for high school testing changed in 2021-22 so that students are only required to take the NJSLA once in high school. Therefore, 2021-22 and 2022-23 data for Geometry and Algebra II may not be comparable to data from 2018-19.

2022-2023

The first table shows, by removal type, the number and percentage of students who received discipinary removals during the school year. Remova types include students receiving one or more in-school suspensions, one or more out-of-school suspensions, one or more suspension of any typ removal to another school or other educational program, expulsion with no further educational services, or arrest. The second table shows the total number of days missed due to out-of-school suspension for all students during the school year. The NJDOE is additionally required to report on the number, percentage, and demographics of students who received removals and that data is available on the NJDOE website.

## Staff

Staff data reflects teachers and administrators reported by districts at the beginning of the school year.
Key terms for staff data:
Teachers: All classroom teachers
Administrators: Principals, assistant principals, supervisors, coordinators, directors, and other central-office administrators, as well as superintendents and other district-level administrators
 tables below report on "experienced" teachers and administrators for federal reporting purposes.
 Provisional Teacher: A teacher with provisional certifications is a fully certified novice teacher of record who must meet further requirements of evaluation and mentoring during their induction into the profession before being granted "standard" or permanent certification.

## Teachers - Experience

This table shows information about the experience and professional qualifications of This table shows information about the experience and professional qualifications of
teachers. Out-offfield teachers are teachers who are potentially teaching outside of their area of certification. Teachers with provisional certifications are fully certified novice teachers of record who must meet further requirements of evaluation and mentoring during certification. The New Jersey Department of Education does not issue emergency instructional certificates for teachers. Additional data on the professional qualifications of teachers and administrators, broken down by schools with high or low economically disadvantaged populations, is available on the School Performance Staff page.

 identify schools in the following four federal categories every three years

- Comprehensive Support and Improvement (CSI): Overall Low Performing
- Title I schools with a summative score in the bottom $5 \%$ of Title I schools.
- Comprehensive Support and Improvement (CSI): Low Graduation Rate
- All high schools with a four-year graduation rate of $67 \%$ or less
- Additional Targeted Support and Improvement: Low Performing Student Group (ATSI):
- All schools with one or more student group with a summative score that would be in the bottom $5 \%$ of Title I schools
- Comprehensive Support and Improvement (CSI): Chronically Low Performing:
- Title I schools identified as Additional Targeted Support and Improvement; Low Performing Student Group (ATSI) that are identified for three or more consecutive years, i.e., ATSI schools that do not meet exit criteria
- The fall 2023 identification is the first year that the NJDOE identified schools in this category.

## Annually NJDOE will identify schools in the following federal categor:

- Targeted Support and Improvement: Consistently Underperforming Student Group (TSI):
- All schools with one or more student groups that missed annual targets or standards for all indicators for two years in a row

For purposes of ESSA accountability, only schools and student groups with data for 20 or more students are included in calculations.
For more information about New Jersey's accountability system, how indicator and summative scores were calculated, how federal accountability status is determined, and additional data, see the NJDOE accountability_page

 are eligible to exit annually if exit criteria are met.

## ESSA Accountability Status

The table below provides the school's federal school status for the 2024-25 school year, the category (or reason) for identification, the year the school is eligible to exit status, and, if applicable, the student groups identified for support. For additional information, the NJDOE Accountability_page includes a list of all schools requiring comprehensive or targeted support and improvement with the amount of School Improvement Aid (SIA) funds received and information on exit criteria for identified schools.

| Status for $2024-25$ School Year |  | Not in Status |
| :--- | :---: | :---: |
| Category of Identification | $\mathrm{n} / \mathrm{a}$ |  |
| Year Eligible to Exit Status | $\mathrm{n} / \mathrm{a}$ |  |
| Student Group Status: White |  |  |
| Student Group Status: Hispanic |  |  |
| Student Group Status: Black or African American |  |  |
| Student Group Status: Asian, Pacific Islander, Native Hawailian |  |  |
| Student Group Status: American Indian or Alaska Native |  |  |
| Student Group Status: Two or More Races |  |  |
| Student Group Status: Economically Disadvantaged Students |  |  |
| Student Group Status: Students with Disabilities |  |  |
| Student Group Status: English Learners |  |  |

tThis flag is used if a school is identified for Comprehensive Support and Improvement, but one or more student groups met criteria for Additional Targeted Support and Improvement.

## ESSA Accountability Progress

The table below shows performance on each of New Jersey's ESSA accountability indicators for the last three years. ELA and Math Proficiency: Percentage of students who met or exceeded expectations on statewide assessments (NJSLA or DLM) ELA and Math Growth: For 2022-23, this data reflects median student growth percentiles (mSGPs). For 2021-22, this data shows the Relative School Improvement Measure (RSIM), which was based on aggregate scale score improvement on the statewide assessments in ELA and mathematics (NJSLA), when comparing prior year performance to 2021-22 performance. Four- and five-year graduation rates: The adjusted cohort graduation rate Progress toward English Language Proficiency: The percentage of English Learners who demonstrated the expected . ercentage of students who were absent for $10 \%$ or more of the days enrolled during the school yea
mportant Note for 2022-23: The NJDOE received federal waivers that waived certain assessment and accountability related requirements for the 2019-20 and 2020-21 school years. As a result, proficiency, growth, and progress toward English language proficiency data is not avalable for 2020-21. Ahe grown measure used for $2021-22$ was an alternate using mSGPs for 2022-2023, so growth data for 2021-22 to 2022-23 should not be compared. As data over the last ree yers was impacted by the pandemic in various ways, the NJOEE recommends caution in comparing data from ree years was impacted by the pandemic in various ways, the NJDOE recommends caution in comparing data from year to year.

Highlights

Awards, Recognition, Accomplishments:

- At School \#4 we aim to nurture higher level thinking skills essential to the development of independent lifelong readers and writers and help our students become strategic real-world problem solvers
- Created and implemented, in partnership with our PTA, a series of informative, multi-cultural events, to expose our student population to other cultures represented within our community
- School No. 4 has developed a Mindfulness initiative that has been embedded within our school culture to ensure the social and emotional well-being of our students.

School No. 4 students and teachers have attained recognition for excellence in academic achievement from the New Jersey Department of Education as a "Reward School." In addition School No. 4 students and staff have received National Current Events Awards and Presidential Educational Awards. Most recently, one of our teachers was recongized by the community, county and state level VFW Post for her service in the classroom highlighting Veterans and associated activties. Lastly, our Environmental Club was the recipient of the Bergen County Utilities Authority Environmental Awareness Grant for their work.

Students participate in the Martin Luther King, Jr. Day of Service Project, Leukemia-Lymphoma Society-School \& Youth Program as "Champions of Change," Holiday Food/Clothing Drives, Hurricane Relief \& "Bear Hugs for the Holidays" project. We also offer the following clubs: Environmental Club, Students Against Destructive Decisions, (S.A.D.D.), Drug Abuse Resistance Education, (D.A.R.E.), STE(A)M Club, Robotics Club, Public Speaking Club, Engineering Club, Theatre Arts Club, Chess Club, Art Club, Kindergarten/4th Grade Buddies, Divorce \& Bereavement Group, Social Skills Group \& Peer Mediators Group.
 there are questions about the information provided in the narrative section, please contact the school or district directly.

School No. 4 has integrated a mindfulness program that supports the mental health of our students. Students particpate in a mindfulness program called Reboot. This program allows students to focus on being "present and aware" of their actions. This program has positively impacted the culture and climate of our school community.

> At School No. 4, we have created a climate and culture that promotes teamwork. We are dedicated to a strong Character Education Program that drives our daily purpose. School No. 4 provides a learning environment that is filled with rich experiences that enhances the social, emotional, intellectual, and physical development of the whole child. Our goal is to have our children excited about attending school, feeling positive about learning and about themselves, while interacting with other children and adults in a productive manner. Our commitment to technology awareness and integration has been a top priority. These initiatives, coupled with Mindfulness integration, has developed a positive environment for learning. Lastly, through school clubs and organizations, such as our SADD Committee, and Environmental Club, we have partnered with our PTA to become a service-oriented school that is recognized in the community for giving to others.
