Fort Lee Public Schools Student Code of Conduct

The *Code of Conduct* has been prepared in conjunction with members of the community, students, teachers, and administrators to gather input and assure representation of diverse views. School rules will continue to be developed in a manner that involves all stakeholders in the development and implementation of fair school rules.

The *Code of Conduct* reflects the ethics and values of the Fort Lee community. To address and respond to the ongoing collection of data on school violence, vandalism, harassment, intimidation, and bullying, and attendance, the code will be reviewed annually by the educational community through a meeting of students, parents, teachers and administrators and will be disseminated annually to students, parents, and staff via electronic and other media.

The Superintendent will provide information to the Board of Education, the community, and the New Jersey Department of Education through annual reports on student conduct.

Beliefs

This *Code of Conduct* is designed to promote a healthy and safe school environment that encourages the academic, social, and emotional development of all students. A disciplined environment is essential to achieving these ends. This *Code of Conduct* is intended to enable the development of self-discipline in all students. Both positive and negative consequences of behavior are recognized as necessary to encourage appropriate behavior and discourage inappropriate behaviors that would interfere with the goals and missions of the schools.

Students are entitled to work in a school setting free of harassment, intimidation, bullying, and violence. As such, the Fort Lee Public Schools will maintain a safe environment free of harassment, intimidation, bullying, and violence, in accordance with district policies.

Additionally, the Fort Lee Public Schools will not tolerate the illegal possession of weapons, alcohol, tobacco, e-cigarettes, vaping devices and/or other related paraphernalia, or other controlled dangerous substances on any school property or at any school function on or off school property. Any violation involving these items will bring severe sanctions, and involvement of law enforcement officials should be expected. Also be advised that carrying

or using a firearm will carry with it the most swift and severe of sanctions available to the Board.

Disciplinary sanctions shall include but not be limited to:

Parents shall have the right to appeal disciplinary actions to the next level of administration, up to and including the Board of Education.

Students who experience chronic behavior issues and/or repeated suspensions may be referred to the I&RS team for behavioral interventions; assigned to work with a SAC or teacher in a mentoring situation; and/or referred for evaluation to the Child Study Team.

After a third suspension, return to school will require the attendance of a parent and child in a mandatory workshop (of a minimum of two (2) hours during school time) with school personnel.

In the event of suspension or expulsion from school the Fort Lee Public Schools will provide such alternative educational experiences as can be provided while maintaining the safety and integrity of the educational program for all students. These may include but are not limited to placement in an alternative school setting; reassignment to an in-school suspension program; or assignment of work outside the school setting. Services will be provided to any student suspended from school within 5 school days of the suspension in accordance with NJAC 6A:16-7.2.
